

STRATEGIC PLANNING & VISIONING To Be a **VIBRANT** Club

= Club Coaching process **ESSENTIAL** for building & developing a club's members, culture and **VIBRANCY**.

= Strategic planning involves creating a Club vision, with meaningful, measurable goals and a step by step plan to support the vision over a set period of time.

= Power of the equation comes from the **PEOPLE** executing actions in pursuit of their **GOALS**.

Applies the G. A. T. E. - Way facilitation process
Goals | Action | Talent | Execution And the Way
